EXPERIENCE

Graduate Engineer Trainee

July 2024 – Present

HCLTech

Noida, UP

- Collaborated on designing, developing, and testing scalable web application using technologies like React.js, RESTful APIs and backend services using Node.js and Express, integrated with MongoDB as part of the development team.
- Gained hands-on experience in software development lifecycle (SDLC), and debugging tools to deliver high-quality code in agile environments.

React Native Developer

Feb 2024 – July 2024

SilverSky Technology

Ahmedabad, Gujarat

- Proficient in JavaScript, React.js, and React Native, with a focus on building robust, scalable, and cross-platform mobile applications.
- Developed and integrated secure authentication and authorization systems for mobile apps during tenure at SilverSky Technology, ensuring seamless user access control.

PROJECTS

Quote App [↗](#)

- Developed a comprehensive Quotes App utilizing React Native, featuring dynamically navigable screens implementation. Integrated state management for efficient data handling and seamless user experience.
- Implemented Firebase REST API for secure user authentication and real-time data synchronization. Ensured a responsive UI, adhering to best practices in mobile development.

Cloud Check [↗](#)

- Developed a responsive weather web app with real-time global updates using third-party API integration for accurate temperature and humidity data.
- Implemented responsive design principles to ensure seamless functionality and consistent user interface across various devices.

TECHNICAL SKILLS

C++

Data Structures and Algorithms

JavaScript

React.js

Node.js

MongoDB

EDUCATION

Technocrats Institute of Technology

2020 - 2024

Bachelor of Technology in Information Technology

CGPA : 8.95

Gyanodaya Vidya Mandir

2019 - 2020

Higher Secondary (CBSE)

Percent: 94

ACHIEVEMENTS

LeetCode [↗](#)

Solved 800+ questions on LeetCode and participated in 50+ contests.

CERTIFICATIONS

- AI 102 : Azure AI Engineer Associate
- AI 900 : Microsoft Azure AI Fundamentals
- Test Automation : EPAM Systems
